Student council adopts new face

As the school year opened, a new era in the history of the Student Council dawned. This year the Student Council was divided into two sections: a group of people selected from those who filled out applications at the end of last year called "Parliament;" and the homeroom and club representatives under the leadership of the Second Vice-President known as the "Council." It is the job of the Council to present the "gripes" of the students which are then reported to the Parliament to see what can be done to alter the situation. It is the belief of the Student Council that this method will more loosely attain a bond of understanding betwen students and administration.

"Being elected to the National Honor Society is the highest honor one may be paid," according to Mrs. Hortense Bivins, sponsor of the group. Indeed, it is most difficult to meet the requirements for membership: maintain an overall grade average of ninety or above, never receive below seventy-eight for a semester grade, and be outstanding in leadership, citizenship, and service. Not only must the student meet these requirements, but he must also receive no negative votes from the faculty members who elect the students.

Expression, Prowess Constitute Winning Combination

Richard Stringer

The 1971 Football season at Pine Tree High did not produce a district champion, but it will leave many wonderful memories among the boys who played on that team and the coaches who were fortunate enough to coach. This being my first year as head coach I want to express my deepest appreciation to Coach Winlon Knowles for leaving me with this fine group and to my assistants John Hocker, Dan Graham, Rex Ray, and James Phillips who are as dedicated a group as I have ever been associated with

During the season you experienced many things that boys will face later on in life. You faced challenges all season and some you conquered and a few you failed at, but you never gave up. You came back week after week ready to meet the next challenge. You knew what it was to be joyful and elated when you win and sad and lonely when you lose. All these things are very necessary in growing into manhood and by the end of the season we had several young *men* on our team.

As I go through my coaching career, I will have the fondest of memories and a very special place in my heart for my first high school football team. You young men came to work to get better during the week and on Friday night you played your hearts out. What more could a coach ask?

The Season at a Glance

PIRATES ROUND-UP MARSHALL MAVERICKS

They came, they saw, they conquered. In PT's first taste of action of the 71-72 season, the PIRATES WERE MORE THAN impressive. Headed by Quarterback Bridges' three touchdown passes and the running of Hawkins, Kesterson, and Nicholson, the offensive line opened gaping holes. The defense was outstanding in the 27-2 round-up.

PIRATES VS BEARS

The PIRATES returned home to battle the Gladewater Bears. The Bears struck quickly on a pass and run combination that stunned the PIRATES. PT'S Willie Hawkins amassed 196 yards that brought the PIRATES back to post a 16-12 victory.

PIRATES ROUTE GILMER

Gilmer was the next encounter. The PIRATES struck the Buckeyes on target with a magnificent performance by Willie Hawkins as he ran for three touchdowns in the 34-0 route.

KILGORE 24 PINE TREE 22

Cross County rivals jumped out to a 17-0 lead before Captain Kidd's crew made their move. Taking the opening kickoff the PIRATES drove to KILGORE ONE yard line before a backfield mixup and a fumble by Bridges ended the drive. KILGORE scored plays later and ran the lead to 17-0 before the BUCS scored. After the half the passing and receiving of Bridges to Nicholson brought the PIRATES back, but couldn't overcome the Bulldogs lead. Nicholson had nine receptions totaling 116 yards and two touchdowns. Final score Kilgore 24 Pine Tree 22.

JINXED

The Dragons of Nacogdoches came breathing fire as usual and emerged 12-7 victors. The PIRATES put up a valiant fight in the trenches altho they could not stop the single handed antics of QB Larry Brown of the Dragons. He ran for a touchdown and also kicked two fieldgoals. Lee Kesterson scored PT's only touchdown.

PIRATES 24 CHAPEL HILL ZIP

A visit to Chappel Hill showed the prowess of the offen sive and defensive units. The PT secondary did not allow yard in the passing department. Jeff Thomas, Terry Ruddel and Freddie Slayback turned in outstanding performances in the route.

THE FLYING WISHBONE . . . FLEW

The PIRATES got back on the winning track with a 20-7 victory over Carthage at Pine Tree. The defense all but picked the wishbone clean, as they sent the Bulldogs back home flying. Both offensive and defensive units played inspired ball in the victory.

LIONS EDGE PIRATES

The Henderson Lions came roaring to PIRATE STADIUM only to have the roar hushed in the see saw battle. Outstanding blocking by Mike Hyko and the front line enabled the PIRATES TO rip off large gains running and passing. But in the heartbreaking lost Henderson emerged the victors 34-33.

A TRIP TO THE TOMATO BOWL

Traveling to Jacksonville the PIRATES met their first district lost. A second quarter penalty canceled a 57 yard pass to Cox from QB Bridges and probably the victory. Jacksonville went on the warpath to win 17-6.

ROUGHRIDERS TURN EASY

In the final game of the season the PIRATES romped past Center as everybody got into the action. A great tribute to the entire team and the coaches for upholding the NEVER SAY DIE SPIRIT.

Pirates Have Winning Season

The 71-72 edition to the Pirate campaign was well developed. Rex Ray and James Phillips in their first year as heads of the varsity and junior varsity displayed dedication and strict discipline, assets to a winning team. The varsity Pirates were involved in many close and thrilling games but came out on the short end in most of them. However, the Pirates posted a 15-9 season record and a 10-4 district showing. Guard Lynn Saunders was elected captain of the team and showed tremendous poise. Guard and playmaker Richard Stringer was also outstanding in his role in helping the team. The BIG men for the PIRATES were Lee Kesterson, Mike Hyko, and Glenn Huges as they gave added support on the boards and scoring punch. Jerry Lemay, who was named to the All-Tournament team at West Rusk showed steady improvement as the season progressed as did the entire team. Willie Hawkins, the defensive "HAWK" on the team stole many opponent's passes and converted them into baskets for the team. Also a great tribute must be given to Buddy Woolley and Gary Wakefield in the efforts they gave as they came off the bench to give strength to the team. Forward Darryl Bridges was named to the Gladewater, West Rusk, and the Pine Tree All-Tournament teams. The senior ended his three year varsity career with over 1300 points as he contributed to the scoring and the rebounding.

The coaches have something to look forward to next year as several outstanding players will be elevated to the Varsity from the Junior Varsity. Such Standouts are Randy Stringer and Ricky Dowdle along with a host of the JV's. A great tribute to the team members and the coaches for an outstanding season.

Pine Tree School Song

Pirates fight for old Pine Tree High,
For your Alma Mater dear,
Pirates fight for old Pine Tree High,
For victory is near.
To old Pine Tree we'll all be loyal
'Til the sun drops from the sky,
Remembering until the end,
Pirates fight, never die.

We've had our bad times but I think everything will turn out okay. Best of luck to you and I hope everything turns out the way you want them to.

We've only just begun . . .

I learned this, at least, by my experiment: that if one advances confidently in the direction of his dreams, and endeavors to live the life which he has imagined, he will meet with a success unexpected in common hours . . . If you have built castles in the air, your work need not be lost; that is where they should be. Now put the foundations under them.

AMBUSH

P.S. Come to the Revival Thurs. at 6:30 P.M. we have a Free Pizza Supper.

Dear [illegible], Since I'm a mighty experienced Senior '72 I think it best to warn you of the hazards which lie ahead. First of all, study; even though it seems useless do it anyway. You won't be sorry. Next, get involved in a lot of extra-curricular activities, have fun and do your own thing. Don't worry about girls well for that matter don't worry about anything it will only give you ulcers. Remember to love all people because God loves them and always take your problems to Him. He came, He is one heck of a problem solver. Let God shine through you. By the way I hope you aren't getting dizzy reading this. Most of all keep Jesus the center of your life and don't get too mean this Summer, don't fall in love too many times, and have a lot of fun. God bless you.

Love Kendall Sr. '72
